

LONG ISLAND SWIM SCHOOL

BOW-TIE NOODLE BUTTERFLY CRAFT

MATERIALS NEEDED:

- ★ Fun chalk markers or paint
- ★ Black sharpie
- ★ White paper
- ★ Small bow-tie noodles
- ★ Glue

HOW TO MAKE IT...

- ★ Start by painting your little noodles with bright fun colors and let dry. Chalk markers dry pretty fast so if you have them they are perfect for this craft! Otherwise paint works just as well!
- ★ For the grass, carefully cut the noodles in half and paint them green. Glue them all to a piece of white card stock paper.
- ★ Add sharpie antennas and dots behind them so it looks like they're flying!
